curry

massaman

Our Massaman will curry you back to the early days of the spice trade. Aromatic and lightly sweet, this dish brings together the undeniable flavor of roasted peanuts with shallots and potatoes.

green curry

A touch of heat hangs in perfect balance with tons of flavors in this long-time curry favorite. With coconut milk, bamboo shoots, carrot and sweet basil.

red curry

For that little extra spice in your day. Coconut milk, red curry, cherry tomatoes, pineapple and sweet basil meet red chili pepper for some serious excitement in every bite.

rice

lemongrass

The rice that thinks it's a soup. We specially prepare this dish using lemongrass soup for a light, flavorful and unforgettable taste experience. With mixed vegetables.

panang curry

Where does the rice end and the curry begin? We're not sure, but we do know our Penang curry infused rice is creamy, aromatic and delicious. With mixed vegetables.

karee curry

The curry that started them all. Our Karee curry rice makes every grain pop with the rich flavors of cumin, turmeric and coconut milk. With potato and onion.

noodles

pad thai

Well-known and well-loved, this Thai classic is the perfect combination of sweet, tangy and spicy. Rice noodles, bean sprouts, spring onions and tofu in an authentic sauce of tamarind, palm sugar and lime juice.

drunken

Don't let the name fool you, this noodle walks a straight line to serious flavor. Flat rice noodles, string beans and carrots stir fried with red chili and holy basil.

pad see-ew

The noodle that rules the street, Pad See-ew is a Thai market favorite. Flat rice noodles with egg and kale stir fried in a nicely balanced sweet soy sauce.

stirfry

ginger

Our friend Ginger is working overtime here. Wonderfully aromatic and with just the right amount of heat, this flavorful stir-fry will have you choosing Ginger every time.

cashew

Uniquely, unforgettably flavorful, the nuts are in charge of this special stir fry. With water chestnuts, garlic and red chili, this one-of-a-kind dish is best with chicken.

pineapple & tomato

A little sweet, a little sour, a lot delicious. Sweet pineapple and sour tomato meet up in a majorly refreshing stir fry with cucumber and onion.

lemongrass soup

With lemongrass leading the way and galangal and kaffir lime leaf close behind, this mouthwatering soup is wonderfully refreshing. With mushrooms and cherry tomatoes.

coconut milk soup

Coconut milk and galangal are the stars here, giving you a smooth and mild soup with special flavors and aromas. With mushrooms and cherry tomatoes.

tamarind soup

Take your taste buds on a tour. Our tamarind soup brings some serious ginger to the party for a delectably diverse mix of flavors. With mushrooms, cherry tomatoes and spring onions.

papaya salad

Nicely refreshing with just enough heat: a classic Thai salad with crisp papaya and spicy chili in a sweet and savory dressing.

mango salad

Awaken your taste buds with sweet mango, coriander and cashews – a colorful combination of sweet and spicy.

dee daa salad

This unique salad is simply what we are all about: its enticing textures will make your taste buds go "Wow!" With carrots, pumpkin, French beans and cherry tomatoes in a specially prepared basil vinaigrette.

shrimp pockets

Plenty savory, lightly sweet and just a touch of spice make our shrimp pockets deliciously and unavoidably snackable. With sweet corn and carrots.

vegetable spring roll

Spring into action with mushrooms, carrots and baby corn with black pepper and garlic.

four flavor bites

Watch out because this side doesn't stick around for too long. With pineapple, bell pepper and carrot all wrapped up and ready to go for one satisfying snack.

crispy shrimp

A simple dish with a lot of personality. Our crispy shrimp are spicy and savory, for a great quick snack or a perfect side dish.

\$2.50

🍗 chicken, 🍍 tofu \$7.50

🍖 beef, 🐷 pork, 🍤 shrimp \$8.00

bundles

Make like a Thai and try a bundle – a pairing of a main dish and either a soup, salad or bite – that gives you the perfect balance of the four basic flavors: sweet, spicy, salty and sour. It's easy – choose a main dish and look for one of its favorite friends (we've recommended a few).

chicken, tofu \$10.00
beef, pork, shrimp \$10.50

Food that tastes great and makes you feel good. That's what we're all about. We prepare our meals using authentic Thai ingredients to perfectly balance the four basic flavors—sweet, spicy, salty and sour. Whether you're grabbing a bundle or just a quick snack, you'll stop and savor the moment at Dee Daa.

rosella tea

Healthful, helpful hibiscus. This bright red flower has a cranberry tart taste and vitamins galore – refreshing and reviving, it may help reduce blood pressure too.

lemongrass tea

Lemongrass looks good, sounds good, tastes good, is good. It'll get your spirits up and may even leave you with a healthy glow.

bael fruit tea

One sip and you'll know this isn't your average tea. Light, fresh, earthy and a touch exotic, Bael fruit tea helps you breeze through the rest of your day.

thai iced tea

The classic Thai way to cool down. Sweet, creamy and oh-so tasty, our Thai iced tea is uplifting and will put some spring in your step and a smile on your face.
