## PRESENTS: GUEST SOMMELIER SERIES - FEBRUARY 2012

Every month A Voce Wine Director, Olivier Flosse, invites some of the world's top wineries to showcase their wines at A Voce. These special evenings give guests the opportunity to try some of the finest wines from all over the world with the added advantage of speaking with the featured Guest Sommelier of the evening, very often the wine maker of the wine guests are drinking that evening.

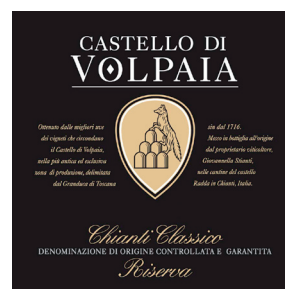

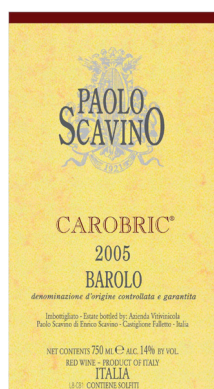

This month we honor some of the top recipients of the prestigious Tre Bicchieri award by hosting them at both of our locations.
