

FELICE CARES ABOUT THE ENVIRONMENT. WHENEVER WE CAN, WE USE RECYCLED PAPER PRODUCTS

Deep within the Tuscan countryside in via della Maulina, one of the world's most noteworthy areas of high quality wine production, lies a sprawling 19th century family estate, Fattoria Sardi Giustiniani. With vines situated 50 to 130 meters above sea level and angles for maximum southern exposure to the sun, the two elegant wines produced there -- Felice and Quinis -- embody the essence and flavors of the Tuscan countryside. The producer, Jacopo Giustiniani, opened Felice wine bar in Manhattan's Upper East Side in 2007, so New Yorkers could share the spirit of his homeland and the wines of his vineyard. Felice and Quinis are offered alongside an extensive, Italian driven wine list and a menu of rustic and authentic Tuscan plates, all served in a cozy and inviting atmosphere. In August of 2011, Felice expanded to offer the upper east side a second location, where the energy of New York City continues to meet the charm of Tuscany.
