We are proud to serve **Brooklyn Roasting Company Coffee**. Their factory is located at 25 Jay Street in the historic neighborhood of DUMBO where they roast all of their coffees daily. In French Press we offer their Fair Trade & Organic classic Mocha Java blend which combines the refined fruitiness of Ethiopian Yirgecheffe beans with the rich chocolate & earthiness of Sumatran Gayo beans. For espresso based drinks we offer the Iris Espresso which is a connoisseur quality blend of three distinctive beans (from Peru, Ethiopia, Sumatra) roasted together in very small batches. The result is softly spicy with a bright, lingering sweetness in the flavor & finish.
